WELCOME MESSAGE

Dear Esteemed colleagues and Distinguished guests,

It is with great pride and pleasure, we extend a warm and gracious welcome to each one of you for “Grand Rounds in Hepatology 2026 – a midterm INASL meeting”, focused on central theme of “Clinical Dilemmas in Day-to-Day Hepatology Practice”. We are excited and privileged to host you for this academic gathering on 1st – 3rd May 2026 at The St. Regis, Mumbai, India.

The scientific program will focus on complex decision-making in liver disease, addressing management challenges in areas of evolving guidelines, and emphasizing practical, case-based discussions directly applicable to everyday clinical practice. The meeting is designed to facilitate high levels of academic engagement, lasting learning, and meaningful interaction among both delegates and students.

We invite you to participate in two days of a rich academic experience, featuring insightful scientific sessions, transformative perspectives across everyday clinical and transplant hepatology, and engaging discussions with leading experts in the field.

We look forward to welcoming you to Mumbai for a deeply enriching academic journey.
